

November 9 Questions

- 1) There were three issues that contributed to Pilate's downfall: (1) He insisted on doing things his _____ way. This teaches us how important it is to follow God's leadership in _____ our decisions, for our past mistakes can _____ our ability to do right when it really counts; (2) He was _____ and _____. This teaches us to cultivate a _____ for the truth, for if we _____ God's Word, the day will come when we can no longer tell the truth from a lie; (3) He put political _____ above personal _____. This teaches us the danger of ambition, for if we care more about _____ than integrity, we will end up sacrificing what is most precious—the Son of God.
