

## December 31 Questions

- 1) After the seven bowl judgments and the destruction of Babylon, John heard the \_\_\_\_\_ of heaven ring out in celebration of God's wrath on the wicked. It was time for the Lamb's \_\_\_\_\_ ceremony and celebration feast, and all who are invited are blessed (Rev 19:9). We're privileged to be part of the \_\_\_\_\_ of Christ, and one day we'll be with Him forever! John watched as Jesus came out of heaven on a white \_\_\_\_\_. Jesus is coming again! He is coming to defeat the \_\_\_\_\_ and the false \_\_\_\_\_ and cast them into the lake of fire. He is coming to seize that ancient serpent \_\_\_\_\_ and bind him for a thousand years. He is coming to \_\_\_\_\_ those martyred for His testimony during the Great Tribulation and reign with them on earth. As John looked on, the thousand years flew past and Satan was \_\_\_\_\_ from his prison. He was allowed to go out and \_\_\_\_\_ the nations and gather them together for battle against Jerusalem. This teaches us that a perfect environment cannot produce a perfect \_\_\_\_\_. We must work to transform people's \_\_\_\_\_ with the gospel, for only then will a transformed environment really matter. John watched as Jesus defeated Satan for the last time and cast him into the lake of fire. Then he saw a new \_\_\_\_\_ and a new \_\_\_\_\_, for the first heaven and the first earth had passed away. Our eternal heritage is a new heaven and a new earth and a heavenly \_\_\_\_\_ of radiant splendor! Most of all, our heritage is that God will \_\_\_\_\_ with us forever. Now that's a future worth fighting for!
